## MISSION STATEMENT

*Enrich the human spirit and lives  
of others through the promotion,  
development and enjoyment of  
visual arts.*

### ABOUT US

East Hillsborough Art Guild was founded in 1992 by Eleanore McDade and Jossie Azorin, as an organization of artists and art patrons working together to enhance the appreciation of fine arts.

**WE HAVE GROWN** and are moving forward towards the future, embracing new visual art mediums and techniques as well as traditional art forms.

**WE BELIEVE** in offering our members opportunities to improve their skills through demonstrations, art classes, educational workshops, Penn Air outings, and to provide promotional opportunities to show and sell their work in business and museum settings.

**WE STRIVE** to reach out to our local community with a December Christmas Art Show, and reaching beyond our local community by EHAG presenting the annual Florida Strawberry Festival Fine Art Show with great exposure for our artists with more than 500,000 in attendance.
