MISSION STATEMENT

*Enrich the human spirit and lives of others
through the promotion, development
and enjoyment of visual arts.*

ABOUT US East Hillsborough Art Guild was founded in 1992 by Eleanore McDade, as an organization of artists and art patrons working together to enhance the appreciation of fine arts.

WE HAVE GROWN and are moving forward towards the future, embracing new visual art mediums and techniques as well as traditional art forms.

WE BELIEVE in offering our members opportunities to improve their skills through demonstrations, art classes, educational workshops, Penn Air outings, and to provide promotional opportunities to show and sell their work in business and museum settings.

WE STRIVE to reach out to our local community with two members-only Art Shows, and reaching beyond by EHAG presenting the annual Florida Strawberry Festival Fine Art Show. This festival's has great exposure for our artists with more than 500,000 in attendance.

GRANT APPLICATION

East Hillsborough Art Guild Visual Art Grant is available to all Hillsborough County residents who need funding to take their talents in visual art to the next level. Download application from our website www.EHAGfinearts.org
